ISPP WORLD DIRECTORY

The CPS contributes membership information to the World Directory of Plant Pathologists on the ISPP (International Society for Plant Pathology) website. This is a searchable, on-line database, located at: http://www.scisoc.org/ispp/world_directory/ . Information provided includes name, address, phone, fax, e-mail and research interests. Many other plant pathology societies, including APS, also contribute to the directory.

If you have any objection to your name and address appearing in the online directory, please indicate so here or contact the membership secretary.

Do not include my name and contact information in the ISPP directory

PRIVACY POLICY

CPS values its members' right to privacy. Information collected on this form will be used for CPS business only, and will not be sold to outside organizations. Membership information will be used for mailing journals, newsletters and meeting notices, and will be published in the Membership Directory. Contact information is also provided to the ISPP World Directory unless you indicate otherwise. Please contact the membership secretary if you have any concerns.
